

Curriculum Vitae of N. Srinivasan
(dated 27 August 2013)

Personal Details:

Name (with expanded initials)	Narayanaswamy Srinivasan
Date of Birth:	1 April 1962
Sex:	Male
Place of Birth:	Madras (Chennai), India
Nationality:	Indian
Address for correspondence:	Molecular Biophysics Unit Indian Institute of Science Bangalore 560 012 India
Telephone:	+91-80-2293 2837
Fax:	+91-80-2360 0535
E-mail:	ns@mbu.iisc.ernet.in
Lab URL:	http://nslab.mbu.iisc.ernet.in

Research Interests:

Computational genomics, bioinformatics and structural biology involving relationship between protein structure, function and interactions. Cellular signal transduction. Protein-protein interactions, biological pathways.

Educational Qualifications:

1991	Ph.D Molecular Biophysics Unit, Indian Institute of Science, Bangalore. Thesis: <i>Conformational studies on globular proteins: Data analysis.</i>
1984	First class M.Sc in Biophysics at Dept. of Crystallography and Biophysics, University of Madras, India.
1982	First class B.Sc in Physics, University of Madras, India.

Positions:

Post	Funded by	Dates	Educational establishment
Professor	DBT, DST, CSIR New Delhi; Indo-French and Indo-UK collaborative grants	June '10 – Till date	Molecular Biophysics Unit, IISc, Bangalore. India
Associate Professor	DBT and CSIR, New Delhi; Indo-French and Indo-UK collaborative grants	June '04 – June '10	Molecular Biophysics Unit, IISc, Bangalore. India
Assistant Professor & International Senior Fellow of the Wellcome Trust.	The Wellcome Trust, London	June '98-June '04	Molecular Biophysics Unit, IISc, Bangalore. India
Visiting Professor	Reunion University, Reunion islands, France	Yearly visits since May '04	Biochemistry department, Reunion University, Reunion islands, France
Senior Fellow	Manchester University, UK	March 08 onwards – present position	Biological Sciences, Manchester University,
Honourary Research Fellow	Honourary position	Sep. '98 – Sep. 2000	Dept.Cryst. Birkbeck College, London, U.K.
Postdoctoral – Computing	Wellcome Trust, to Prof. Blundell	Oct '96-May '98	Dept. of Biochem., Univ. Cambridge, U.K.
Postdoctoral - crystallography & computing *	Ludwig Institute for Cancer Res., London, to Prof. Waterfield	Aug '94- Sep '96	Ludwig Institute for Cancer Res., University College, London, U.K.
Postdoctoral - Computing	A grant by Tripos Inc., St. Louis, to Prof. Blundell	Nov '91-July '94	Dept.Cryst. Birkbeck College, London, U.K.
Senior Research Fellow	Dept. of Sci. & Tech. India, to Prof. Balaram	Jan '91-Oct '91	Mol. Biophys. Unit, Indian Inst. of Sci., Bangalore.

* Honourary visiting research fellow in the laboratory of Prof. Blundell, Birkbeck college, London.

Research group:

Srinivasan's group has an average population of 15 members in the last 6 years with roughly half the number corresponding to PhD students and the other half corresponding to postdoctorals and technicians. So far, 12 of his students have obtained their PhD thesis under his guidance. Several students have done their Masters project with him.

Honours and Awards:

International Senior Fellow of the Wellcome Trust, UK

National Bioscience Award of DBT, Government of India.

Shanti Swarup Bhatnagar Prize awarded by the Council of Scientific and Industrial Research, Government of India – Highest Science prize in India

Membership / affiliations in professional bodies

Elected Fellow of the Indian Academy of Sciences, Bangalore

Elected Fellow of the National Academy of Sciences, India, Allahabad.

Member of the committee on Affiliates and Special Interests Group, International Society of Computational Biology (ISCB), USA

Visiting Professor of Bioinformatics to Reunion university, France since 2004 involving annual visits.

Visiting Professor of Bioinformatics to University of Nantes, France during July 2012

Senior Fellow of the Manchester University, UK

Other professional activities:

A faculty member in the ***Faculty of 1000 in Biology*** in the section ***Structural Biology – Structural Genomics***.

Member of the Editorial Board of the journals

1. ***Bioinformatics***
2. ***PLoS ONE***
3. ***F1000 Research***
4. ***International Journal of Bioinformatics Research and Applications***
5. ***Research & Reviews in Biosciences***
6. ***Resonance***
7. ***In Silico Biology***
8. ***The Scientific World Journal - Structural Biology***
9. ***Biology Direct***

Associate Editor of

1. *International Journal of Knowledge Discovery in Bioinformatics*
2. *Bioinformation*.

Acted as a Guest Editor for

1. *PLoS Computational Biology*.
2. *Journal of Biosciences*
3. *Progress in Biophysics & Molecular Biology*

Member of the programme committee of PRIB 2007 (Pattern Recognition In Biology), an International conference held in Singapore in October 2007.

A speaker in the ***Keystone symposium*** held in Cambridge, UK in 2006 on ***Multi-protein complexes***.

Refereed manuscripts for publication in: *J. Mol. Biol.*, *Proteins: Str. Fn. Gen., Prot. Engng., Prot. Sci., Bioinformatics, BMC Bioinformatics, BMC Structural Biology, J. Biomol. Str. Dyn., J. Biosci., Curr. Sci., Trends Biotech., PEDS, Prog. Biophys. Mol. Biol., BMC Genomics, BMC Microbiology, Amer. J. Pharmacogenomics, Nucl. Acids Res., FEBS Letters., PLoS Comp. Biol. J. Struct. Biol., Int. J. Biol. Macromol., J. Bact., Resonance, FEBS Journal, PLoS ONE, IJBRA, Plant Systematics and Evolution, DNA Research, Theory in Biosciences, BBA, Computers in Biology & Medicine, J Mol Recogn*

Refereed grant applications for Department of Biotechnology, New Delhi, Career Development program of the Wellcome Trust, London, HFSP, France, Wellcome Trust's review of progress made by Sanger Centre, UK, Council of Scientific and Industrial Research and Department of Science and Technology, New Delhi, Department of Information Technology, Delhi. Acted as a member of the committee for the promotion of scientists working in CSIR institutions and various awards.

Acted as PhD thesis examiner of thesis submitted from Panjab university, University of Kerala, Central University – Hyderabad, Delhi University, Madurai-Kamaraj University, Jadavpur university, Anna University, Reunion university, SASTRA and Bharathidasan University, Vellore Institute of Technology, Kuvempu University, Reunion university (France), Macquarie University, Sydney, Australia.

Acted as a referee for the promotion of a faculty member of Brigham Young University, USA, for a member of faculty in a South African University and for a faculty member in University of Manchester, UK.

Served as a coordinator of the Integrated PhD programme in Biological Sciences and a member of the core committee on Integrated PhD programmes, Indian Institute of Science.

Member of the Scientific Advisory Board of Jubilant Biosys.
